MISSION COVERAGE SUMMARY

Mission B 1468
28 August 1958

Summary Coverage

25X9

Quality

Quality of target images for photo interpretation is generally good or fair. A few targets were in haze or in far oblique views.

Map References

USAF World Aeronautical Charts, 1:1,000,000
340 Lake Van
426 Cyprus
427 Tigris River
444 Dinar Mountains
445 Euphrates River
447 Suez Canal

Categories

Information is listed by categories, as shown in the Table of Contents. Arrangement within categories is as follows: Airfields and Urban Areas--alphabetically by (1) country and (2) city or installation; all other categories--by (1) country, (2) WAC number, and (3) degree square. A geographic index follows the text.

Coordinates

Reference to each item by a single pair of coordinates is a matter of convenience in data recall. The coordinates used are those of the southwest corner of the one-minute square in which the item occurs. In referring to certain targets, such as roads, the coordinates of the approximate midpoint are listed in the heading and additional coordinates may be cited in the description.
